M. NAVEEN

Email: naveen.ai25@stellamaryscoe.edu.in
Phone: 6381412882
Location: Erode, Tamil Nadu, India

Professional Summary

Motivated B.Tech AI & Data Science student with a strong foundation in Python and databases. Passionate about building practical AI-driven solutions and data applications. Seeking an entry-level role to apply analytical, problem-solving, and development skills in real-world environments.

Technical Skills

• Programming: Python
• Databases: MySQL, PostgreSQL
• Tools: Git, GitHub, VS Code
• Productivity: MS Office (Word, Excel, PowerPoint)
• Other: AI Tools, Basic Web Development

Projects

• Guardian AI: AI-based system to predict student dropout risk using institutional data and provide actionable insights.
• Cutoff Calculator: Tool to calculate academic cutoffs efficiently for student analysis.
• Gen AI Project: Built a generative Study Assistant AI-based solution for automated responses/content generation For Students.
• SQL Mobile Playground: Interactive platform to practice MySQL and PostgreSQL queries on mobile devices.
• Frequency Analyzer: Application to analyze and visualize frequency patterns in datasets.

Certifications

• Introduction to Python
• Introduction to SQL

Achievements & Activities

- Participated in Smart India Hackathon
- Participated in IIC Hackathon
- Participated in Nimirnthu Nil Hackathon
- Participated in AI Powered Solution Expo

Education

Degree	University/School	Year	SCORE
B.Tech- AI&DS	Stella Mary's College of engineering	2025	8.5 CGPA(S1)
HSC	GHSS,Vellankovil	2025	80%
SSLC	GHSS,Vellankovil	2023	83%

Languages Known

Tamil, English, Telugu

Hobbies / Intrests

- Coding small projects
- Exploring new tech tools and apps
- Watching tech & science videos
- Cooking
